Develop your sketchbook/journaling practice, habits and skills. Take your sketchbook with you everywhere, capture your savored moments in pictures and words, and have fun!

Day 1. SKETCHING as a Craft

Keeping it Simple. Pencil, Pen & Paper. Anyone can draw! With the basics of tools and your sketchbook, capture every opportunity that inspires. Incorporate your journal writings on the page. Explore the fundamentals of sketching: process and practice to make sketching a habit. In studio and in the field instruction (weather permitting).

Day 2. LIGHT, COLOR & SHADOW

Make better sketches! How to apply lighting concepts and create depth with rich values. Embellish your drawings with color. Fill your sketch pages with pen and ink, watercolor and colored pencil together. Simple color mixing and tips on effective colorful travel sketches. In studio and in the field instruction (weather permitting).

Day 3. SKETCHING ON LOCATION

Exercises and techniques for sketching on the spot. The art of the quick sketch using watercolor and pen in a busy space. Experience Coppell's Farmers Market. Selecting potential subjects to sketch, setup, composition and note-taking.

Day 4. PULLING IT ALL TOGETHER

Finalize unfinished drawings in your sketchbook pages to bring your work all together in the studio. Tips on making a cohesive page, integrating lettering, tip-ins and design elements in a fun thoughtful exploration. Bring your sketchbooks!

Tuition. TAKE ONE OR ANY COMBINATION. Take all 4 and save!
